RCAF Accepts Nisei Girls, Two Stationed at St. Johns

ST. JOHNS, Que. — Two Nisei girls, the first to be accepted into the Women's Department of the Royal Canadian Air Force, and also believed to be the first to enlist in any of the women's branches of the armed forces, are currently stationed here and undergoing training.

They are AC2 Grace Tomiko Honkawa, 21, of London, Ont., and AC2 Rosa K. Baba, of Fort William, Ont. Both recent enlistees, they came here with the second draft of the RCAF (WD) which was reactivated last spring.

Thousands of Canadian women were taken into various branches of the service during World War II to relieve men for other duties, but no girl of Japanese ancestry was a member.

AC2 Honkawa, who hails originally from Prince Rupert, B. C., is the second daughter of Mr. and Mrs. M. Honkawa of London. For the past few years she has been an active member of the Ontario JCCA executive and until her enlistment she served on the executive of the London-St. Thomas chapter.

The second daughter of Mrs. K. Kuwabara of London, and the late Mr. M. Baba, AC2 Baba is formerly of Sydney, B. C. near Victoria. She was an active executive member of the Lakehead Nisei Club and one of the top female bowlers in the Lakehead Nisei Bowling League.

Both girls were in Slocan, B. C., prior to relocating to Ontario.

Toronto Postcard

This is the time of the year when everybody, especially native Torontonians, get that agonizing Let's Get Away From It All Feeling. They usually head up to the lush lake country up north where they can peacefully meditate on the weird symmetry of their toes while wishing all the time they were back in the city lifting a few; or else, they go down to some big American city like New York or Chicago where they yearn for the cow pasture where they can cavort with the moo-things.

But some people even come to Toronto for their holidays. If this is their first visit, they may find it interesting. They may write home to the folks like this:

"Having WONDERFUL time, wish you were here!

This place is really different from our quiet, white-washed town. This is living.

This is Mayor 'Buck' McCallum's conservative Toronto the Good where a day doesn't go by without hearing about some more bank robberies, some more petty burlesque-like squabbles in the city hall about whether or not to have washrooms installed in the offices, some more stink raised by the three newspapers on whether to get labor-man Ford Brand into the vacancy in the city council left by the demise of controller McInnes, some more red-baiting at Queens Park where left-winger Mrs. Norah Rodd talked about Korea, some more stuff about the Toronto Star's Fresh Air Fund where your $100 bill sends another undernourished, unhealthy kid to a fresh air camp, or the Tely Tunes where you can win a $100 bill for naming the tune.

All this, and more too, is part of Toronto.

Labor Council Proposes Ban on Discrimination

VANCOUVER — A resolution seeking enactment of a civic by-law to prohibit racial discrimination in all public places was endorsed by the Vancouver Labor Council (CCL) here recently.

It was presented to both the Vancouver and New Westminster and District Trades and Labour Councils (TLC) by the Joint Labour Committee to Combat Racial Discrimination. This committee is composed of representatives of both groups and of the railway brotherhoods.

The secretary of the B.C. Federation of Labour, George Home, asked all unions to submit suggestions for changes in the ICA Act and the BCRIS.

An executive board meeting of the Federation will be held on August 4th in order to draft a brief for presentation to inquiry boards into both acts.

Asks for Rehearing Of Conviction Appeal

SAN FRANCISCO — Tomoya Kawakita, 29, asked the Court of Appeals recently for a rehearing of his appeal on his conviction for treason. Kawakita, a Nisei, was convicted in Los Angeles on Sept. 2, 1948 and sentenced to death in a gas chamber.

Kawakita reiterated that he was a citizen of Japan in World War II and contended that the Court of Appeals erred in saying he was an American citizen. He claimed that he had the right under the Nationality Act of 1940 to elect whether he was a national of the United States or Japan and that he had elected to become Japanese.

Kawakita was convicted of treason for committing atrocities against United States prisoners of war at the Japanese POW camp at Oeyama, Japan, during 1944 and 1945. Kawakita was employed at the prison as a [illegible] guard.

National JCCA Replies To Doubt About Niseis In Uniform in Last War

In a reply to a letter to the editor appearing in Vancouver's News Herald questioning the existence of the Nisei Regiment composed of Japanese Americans as depicted in the film "Go for Broke!", a letter was dispatched to the editor of the News-Herald by George Tanaka, National JCCA executive secretary. It reads in part:

"It has been brought to our Association's attention a letter to the Editor published in your July 23 issue, signed W. G., 3750 West 19th Ave., which questions the authenticity of the magnificent record of the World War II, United States Army 442nd Combat Team composed of natural born American citizens of Japanese ancestry, depicted in the film, "Go for Broke!"

"It is regretted that at this late date, the well known record of the 442nd which was awarded more decorations for outstanding combat service than any other American combat team by the United States Government, should be questioned by anyone.

"Mr. Editor, you may learn more of what I quote from the enclosed 25 page publication entitled "Nisei in Uniform" issued by the Department of the Interior, War Relocation Authority, in collaboration with the War Department, United States Government, giving a detailed account of the 442nd Combat Team which began training at Camp Shelby, Mississippi, in April, 1943.

"Some examples of the hundreds of accounts of wartime reporting of the 442 are as follows: Time Magazine, Feb. 7, 1944, "Heroes: Ben Kuroki, American"; Amarillo News, (With the Fifth Army in Italy, July 9, (AP), "Japanese Yanks Prove To Be Poison To Germans In Italy"; The Denver Post, Oct. 15, 1943, "Japanese American Fought Nips On Attu"; Cleveland Press, "Reveal Husband of Cleveland Japanese Saved U. S. General"; Des Moines Register, Mar. 24, 1944, "High Praise for Doughboy and the Nisei"; Klamath Falls Herald & News, "Jap-American Volunteer From Tule WRA Center Fights Nips in India".

The letter goes on to quote excerpts from Mike Masaoka's Japanese American Creed which was reprinted in the Congressional Record in 1941. Also, as evidence of Canadian Nisei in uniform in World War II, a photograph of some Nisei soldiers in the intelligence corps taken at Brantford, Ont., was enclosed with the letter.

NISEIS IN UNIFORM

During World War II, Niseis were considered unsuited to or could not be trusted in a Canadian military uniform. Even before Pearl Harbor, with very few exceptions no Nisei were taken into any branch of the armed services in British Columbia and there were several instances where they were rejected at the recruiting depots. It was after the insistence of British military officials who had seen the invaluable contribution that the American Nisei were making in the Pacific in the war against Japan, that Canada was persuaded to enlist the Nisei for the Pacific military intelligence service. But otherwise, Canada remained steadfast in refusing other Nisei enlistment.

Today, the Nisei are to be found in the three fundamental branches of the Canadian armed services, the army, the navy and the air force. There is a Nisei enrolled at the Royal Military College at Kingston who, upon graduation, will become a candidate for a commission. And now we have two girls added to the growing list of Nisei in uniform.

Niseis are participating in the United Nations action in Korea as members of the Canadian forces. One has already won distinction for valor. Another has flown over the war theatre to take pictures for the Department of National Defense. It might be pointed out, too, that rather than a hindrance, the Nisei in Korea [illegible] finding that his racial background and knowledge of Japanese are proving to be an asset which is readily being recognized by his buddies and his officers.

Ancestry is no longer a handicap to the Nisei in offering his services to his country, which is as it should be.

Digest Article Condemns U. S. Discriminatory Laws

We noted briefly in The New Canadian in the A[illegible] issue an article appearing in the August edition of the Reader's Digest which condemned the denial of citizenship and citizenship rights to Japanese aliens in the United States and Hawaii by placing discriminatory naturalization restrictions against them. This article, we found later, does not appear in the Canadian issue.

The author of the article is Blake Clark, Digest's roving reporter. Mr. Clark's family lived in Japan for a number of years.

Following are highlights from the article.

* * *

Mrs. Nawa Munemori is the mother of an American World War II hero. A grateful nation bestowed the Congressional Medal of Honor on her son, Sadao, for wiping out two machine-gun nests and throwing himself on an exploding hand granade to save his fellow soldiers.

The United States Army transport, Pvt. Sadao Munemori, which brought his regiment home from Europe, bears his name today. Yet Mrs. Munemori, his widowed mother, is denied citizenship by the country for which her son sacrificed his life.

Mrs. Munemori symbolizes the plight of victims of our outmoded immigration and naturalization laws, which discriminate against worthy people purely on the basis of their race. These antiquated statutes give the Communists in the Far East a powerful anti-American propaganda weapon and damage our relations with the people of Asia.

The Japanese—the largest group affected—have probably contributed more to America than any other Asiatics. Their sons formed the famous 442nd Regiment, which probably received more decorations and suffered more casualties than any unit of similar size in the entire United States Army, yet these parents cannot become citizens.

The abuses against [illegible] Japanese origin are compounded in California, where many of them live. There State law forbids an alien ineligible for citizenship from owing a farm. Men who have turned acres of desert waste into green producing fields can cultivate the [illegible] only as hired hands.

The California law makes it a crime for a Japanese alien to "enjoy, use, occupy, be, or remain on the land, or have a beneficial interest in the land, its crops, or proceeds." Temporarily in abeyance pending court decision on a case, this prejudiced law has been so strictly enforced in some counties that families cannot live together.

California filed a suit to seize the property of Mrs. Roy K. Hirata, born an American citizen and mother of three children, because her alien husband had helped her cultivate her farm, and lived on it. Hirata had to leave home and watch hired strangers gather the crops he had planted.

Akira Iwamura was eager to get home after two years with Army Intelligence in the Pacific. His father had bought 60 acres of good Fresno grape land in his citizen son's name in 1938, and had been taking care of it for him. California welcomed Akira home from war service with a demand that he forfeit his land because his alien parent had a beneficial interest in it.

California is not alone in making the racial ineligible run a stiff obstacle course for his livelihood. Nowhere from the Pacific to the Atlantic can he be a lawyer or a certified public accountant. Despite shortages in important professions, 26 States prohibit his making a living as a dentist, 25 as a physician, 18 as a teacher. Some 500 laws passed by various States bar him from such work as real estate or insurance agents, pharmacist, or civil servant. In some States he cannot even accept an old-age pension, although money toward it may have been withheld from his wages.

The Immigration Act of 1924 was passed to prevent a horde of foreigners from flooding our shores and depressing our wage scales. Legislators worked out an equitable system as far as the [illegible] of the Old World were concerned. A quota was assigned to each nation.

But, with the exception of Persia and parts of Afganistan and Russia, oriental nations received no quota at all. Instead, they were described as constituting the "Asiatic barred zone" and were told to keep out. According to Joseph C. Grew, former ambassador to Japan, it was perhaps the worst mistake we ever made in our relations with the Orient.

This gross insult placed a potent weapon in the hands of the Japanese militarists. They used it to promote "Asia for the Asiatics" throughout the Far East.

Trial by Prejudice

Justice and fair [illegible] take a bad beating. Most [illegible] time, there's nothing wr[illegible] the law, it is those to w[illegible] execution of law and [illegible] trusted who have a [illegible] sense of duty and a [illegible] about justice and equality [illegible] race is involved where there [illegible] been a shocking miscarriage [illegible] justice.

Here are a couple [illegible] cases:

In Winton, N. C., [illegible] an all-white jury cleared a [illegible] farmer's son of a moral [illegible] involving a 15 year old N[illegible] girl. The verdict was [illegible] so outragious by the [illegible] court judge on the evidence [illegible] sented that he refused to [illegible] the defendant and ordered [illegible] be held without bond for a [illegible] trial.

Declared Judge Henry A[illegible] dy, "The verdict was an [illegible] based solely upon the fac[illegible] the prosecuting witness [illegible] colored girl and the defendant [illegible] white man.

"This is a disgrace to the [illegible] race, a disgrace to this [illegible]

In Indianola, Miss., a Ne[illegible] woman reported her 17-year [illegible] son Robert McKinney miss[illegible] the Sheriff who asuming [illegible] murder turned the case [illegible] vated detective named C[illegible] R. Underwood.

Underwood together with [illegible] puty Sheriff Homer S[illegible] rounded up 30 Negroes and after narrowing his suspects to [illegible] they got a signed confession from three who admitted robbing [illegible] killing the boy and tossing [illegible] body into the river.

That same afternoon [illegible] "dead" boy's mother reported [illegible] her son had turned up in E[illegible] St. Louis and had called [illegible] distance.

As to why they had confessed, the doctor upon examining [illegible] found that they had been [illegible] ly beaten.

機密費調達

（六） 南北老人

◇というのは、上の上の上役は、それを矢張り宴會費と接待費に使つて居るのである恰かも業者だちが、お役人に宴會政策を執らざるを得ないように、凡そ役人の頭株ともなれば、政黨、議團体、關係官廳のお偉方に對して然るべき敬意を表する爲の通路「機密費」なるものが多分に必要になるんだという。

◇例えば衆議院、參議院、大藏省、經濟安定本部などの連中が、どこそこを視察に行んだから船を出してくれと來る何が視察だ、遊覧に行くんだろうと判つては居ても、巡視船を差繰つて「視察の助成」をしてやらんことにはアトがうるさい。往復の船の中はもちろん、行き先でのドンチャン騒ぎに至るまで、ウヤウヤしいサービスを怠つたら忽ち豫算に響く──時にはコチラの方から「一つ御視察を」と持ち掛けねばならんこともあろうというもの。──効果はテキメン、保安廳の豫算というものは、一九四八年度の十一億圓から五十一年度の六十餘億圓に躍進して居る。

◇所がそんな遊樂代が、役所の費用の中にあろう筈がない。──そこで上役から下役に、下役から其又下の下役に「機密費」の調達密令が行く。──下ッ端の役人は、それを業者に割り當てる。──業者はボート代や、燈臺工費やにそれだけチャンと加算して、忠勤ぶりを見せるという仕組みなんだという。

◇こうしてツカまつて居るのは下の下の下役だけで、上の上の上役だちは涼しい顔をしてござる。そこまで追及して行く段になると、もう小人數の檢事の手には負えないものとなる。──だから檢擧するのは私腹を肥やしたものだけ、詰り安月給でやり切れずに業者の奉納金のカスリを取つた連中だけ。「機密費」に使つた分は見ぬふり、饗應なんかは多過ぎて調べ切れんと檢事があつさりと言つているげな──宴會政策は今や天下御免の常識となつたようなものなんだね。

◇近ごろのお役人、出張の多いこと／＼。──安月給の補いの意味も無論あるんだが戰時中や戰爭直後は、飛んでもない役人が飛んでもない時に、飛んでもない所に、視察とか、調査とかにワクロを下げてはやつて來た。米一日八合の配給でフー／＼言つているバカ正直な人間を尻目に、食糧と名のつく物は、袋ッ葉いはてまで掻き集めて、ワクロを膨まして歸つて行つた──ヤミ買いに來たのかツてさんな殊勝なのもタマにはあつたかも知れんが、概ね官費旅行の乞食が掻ッさらいの類であつた。──本當なんですよ。

◇近頃の出張風景は少し變つて來た。もうワクロ携帶の必要はなくなつた。餓え死にの心配はなくなつたからね。──其の代りに例えば土木のお役人が中央から出張する。それが又年がら年中、やれ風害とか、やれ地すべりとか、やれ噴火とか、炎害ばかり起つている日本では、出張のチャンスがバカに多いわけなんだ。──すると地方の下役どもは、低頭平身して案内をするのはよいとしても、途中でクタビレ休めの一席を設けないと、忽ちにお冠りを曲げられることになるんでもあろうか、一席設けない方が當然なんていう方が、アホーの腕なし見たいな時勢になつて、我も我もと一席の競爭をする結果は、方々の土木役人の汚職事件というのが度重なつて、餘り珍らしくもなくなつたせいか、新聞でも近ごろは片隅の方に出して居る。

カナダと私（三）

オム・ヨセフ

さようなら

カナダに来てからの、皆様を通じて[illegible]ことをいろいろ[illegible]書く[illegible]けれども、[illegible]来た[illegible]心も落着かないので、今回をもって皆様にさようならを申し上げたい。

歸國しても會える[illegible]人が[illegible]今から心待ち[illegible]一人は其處に居られる母であり、も一人は姉、夫であり他の一人は私の恩[illegible]。

私の名前をヨセ[illegible]と名付けたのは母であって、母は[illegible]偏愛さ[illegible]は私[illegible]下さ[illegible]

た。私が一九四七年ヨーロッパへ旅行に出掛ける前、父母に、もしかすると今度の旅行[illegible]アメリカにて二、三年勉強して歸るかも知れないと、[illegible]旅行者を通じて知らせた。其の時母は思った[illegible]二、三年もしたら其の間に死ぬるかも判らない、死ぬ前にもう一度息子の顔を見ようと[illegible]母は[illegible]三八度線を越える決心を[illegible]母は其の時無斷に私の家[illegible]お[illegible]になった[illegible]母[illegible]結局歸國しても私[illegible]

ている。彼は學者である。私が彼を學者とよぶことに對し、[illegible]彼を知る人は誰でも否定しないであろう。私が中學二年のとき姉様の家に宿っていた。毎朝一哩位の距離を彼と共に歩いて私は學校へ彼はオフィスへ行った。其の時彼は私にいろいろ道路にて見る[illegible]ことに對し私の意見をきいて[illegible]乞食を見るとどうしてあの人は乞食になったであろうかと。私は何んと答えたか記憶に殘っていない。彼は私を非常に愛してくれた。私がトロントへ來ると[illegible]彼は自分の家に家族の者全部を集めて送別會をしてくれた。その時彼は貧血症を起して倒れ、そして遺言をも始めた。曰く、僕は今、死んでも神と人の前に[illegible]ことは[illegible]

い。僕はすべてのことに良心が[illegible]した。然し僕ができうると[illegible]した育英事業は出來なかった。それは君達にまかすから[illegible]。翌日元氣を回復で[illegible]私のところまで來られて「[illegible]心配しなくても[illegible]がいつか[illegible]よくよく勉強して呉れ」といった。[illegible]彼が私に話した彼の最後の言葉になるだろうと[illegible]わなかったが、結局はこれが[illegible]になってしまった。彼、學者を殺した共産主義者は誰であろう。

[illegible]先生は私を信仰の道へ導いて下さった恩師である。私が日本へ留學に行く時彼は釜山に居られた。驛へ出迎えて來られ私を[illegible]ホテルという一流のホテルに二日間留らせて[illegible]私は先生に「どうして先生[illegible]すかこんな高級ホテルへ宿らせて。」先生曰く「君は將來こんな一流のホテルに宿る氣持を今から持つ男子になれ」と。一流のホテルに宿る理由？なかったことはないが、先生の教訓は常に憶えている。然し先生も殺された。

人は殺され物は破壊され秩序は亂され[illegible]戰場に向って私は行く。[illegible]事實はトロント大學に學ぶことの出來なかった先生たちの分も私に教えてくれるであろう。

私にはなにか暗黒から光明を見るような氣持がする。本當の人間歴史の中に飛び込むような快さを感ずる。[illegible]人情は人情である。[illegible]

アメリカの佛教

中谷宇吉郎博士の近著集「花水木」は、なかなか味のある本である。同博士は人も知る柔軟な行文と冷靜鋭利な觀察を以て、最もすぐれた日本とアメリカの文明批判をしている」と、この本のカヴァーにも書いてあるように、讀むものに興味つきない話題と深い示唆を與えるのである。そのうちの一つを拾って次に書き記すことにしよう。

アメリカの佛教

戰後ヤソ教が著しく進出[illegible]日本全体が[illegible]佛教は[illegible]

[illegible]佛教は、現在は葬式と命日のための宗教になってしまって、生きた人間の宗教ではないという批判がよくきかれる。その批判には、一分の眞理がある。近年佛教關係者の方で、讃佛歌を作ったり、日曜學校を始めたりしているのも、その點を認められたからであろう。

しかしそういうことで、日本の佛教が、生きた人間の宗教に蘇り得るか否かは、一寸疑問であるが、それについては、先般訪米中に感じたことがあるので、一つ紹介しておこう。

[illegible]戰後在米邦人の中心地[illegible]其處に昨年、立派な佛教會館が建てられた。コロラド州及び近接二州の邦人から、十三萬弗の寄附金を集めて建てたもので、驚くほど立派な建物である。三百人くらいはいれる大きい講堂が、建物の大部分を占め、その一方は劇場のような廣い舞臺になっている。その舞臺の奥に佛像が納められ、燭臺其他の佛具が型の如く並んでいる。

舞臺の上には、机が二つあって、お坊さんは、その机に向って椅子に腰をかけて、御經を讀む。机の上にはマイクがあって、お經は擴聲器で、講堂の奥まで響く。御説教ももちろんこれでやる。お參りの人[illegible]椅子に腰かけ[illegible]葬式の時など[illegible]若い[illegible]を歌う[illegible]外に電氣蓄音機[illegible]映寫機の設備もあるので、映畫も出來る。

面白いのは、舞臺の奥、佛像[illegible]にある[illegible]で作った引幕である。これを引くと佛像と佛具とはかくされて、立派な舞臺になる。葬式の時などは、引幕をあけ、日本と同じやうに佛事を營む。しかし普通の會合では、一應お參りをすますと、引幕をひいて、その舞臺の上で踊りもやれば、講演もある。

講室の下には、半地下式の大きい食堂がある。つづいて[illegible]臺所[illegible]三百人分の食器[illegible]分の簡單な料理が出來る[illegible]調理設備である。[illegible]冷暖房[illegible]空氣淨化設備が完備して[illegible]十三萬弗[illegible]少し安すぎると思った[illegible]。これは現金支出だけで、外に勤勞奉仕があったからだそうである。地均し、ペンキ塗、雜役などが、アメリカのような勞力費の高い所では、建築費の大きい部分を占める。それがほとんど二世の青年たちの奉仕だったので、非常に安く出來たのだそうである。

私が訪れた時も、十人ばかりの二世たちが、食堂の床の油ひきと、壁のペンキ塗りとに來ていた。夕方勤めを終へてから、立派な自動車で乘りつけて來て手傳いをする。リンカーンの高級車もあり[illegible]ンカーンを持ってる者も[illegible]紳士が[illegible]ペンキ塗をやって[illegible]これ等の二世たちは、大學出で、日本語は[illegible]く話せない。[illegible]同志全部英語である。そういう連中がこの佛教會館を自分の集會場と思って、始終集って足場にしている。一世の人たちは、もちろん此處が生活の[illegible]場になっている[illegible]

[illegible]長井師[illegible]食堂[illegible]地下室[illegible]ビールを出して[illegible]いつも接待する[illegible]冷藏庫の中には、ウイスキーとビールとが一杯あって、誰にでもいくらでも呑ます。酒のいけない人には、コカコーラかサイダーのよく冷えたのをたくさん出して來る。一世たちはもちろんのこと、二世諸君もよく此處に立寄るのは、一つはこのせいもあるらしい。

[illegible]アメリカ[illegible]豊富なので、流石に[illegible]一体何處から出るかと[illegible]不思議である。それで長井師に[illegible]全部先生[illegible]

長井師[illegible]自分[illegible]月給の大部分[illegible]飲み物に[illegible]每月[illegible]客[illegible]自分[illegible]

日本での佛教再建運動にも日曜學校や讃佛歌は第二の問題である。一人の人間の力というものは、虫のように弱い場合もあるが、ひどく強い場合もある。

五國の「平和協定」をソ連議長が强調す

【ワシントン發】ソ連邦最高會議々長ニコライ・シヴェールニクは（他國の元首に相當する地位）六日ツルーマン米大統領に書簡を送り、英、米、佛、ソ、中共の五大國による平和同盟を結ぼうではないかと申し込んできたが、米國官邊では時機をとらえた巧妙なるソ連の宣傳策略だとみなしている。シヴェールニク議長は原子彈の禁止をふくむ軍備反對について五大國が同意しようというのであるが、米國務省では國連を除いて五國だけでかかる協約を行うことには反對を表明している。シヴェールニク議長はソ連議會が可決した「平和決議」の長文を六日ツルーマン大統領に送つたのであるが、その中にはソ連は侵略計畫など微塵も持つておらず、よりよき生活のための平和的活動に全力をそそいでいるとなし、その軍隊は世界の何處へも戰爭をふッかけてはいない點を强調、五大國が協力して平和協定を結ぶようにすれば世界には脅威がなくなると結んでいる。

PASSING THRU

(cont'd from P. [illegible])

of all is to get a seat on a bench, all for free, and watch the fascinating flow of people laughing, crying, smiling, frowning, sad, happy people. And then you think what an infinitesimal portion of humanity you really are.

In musical entertainment, Toronto is leaning heavily towards jazz this week. Billie Holliday, the greatest jazz singer of them all, is at the Elliot. Errol Garner brings his jazz piano and his group into the Colonial next week. Stan Kenton and his Artistry in Rhythm played a one-night stand at the Palace Pier yesterday. Also there is Cab Calloway whooping it up for the patrons at the Casino who like their jazz loud, noisy, frantic, and somewhat nauseating.

For lovers of longhair, Toronto is practically dead at this time of the year. You can listen to some light classical music but very little of the more interesting heavy stuff at the weekly Toronto Symphony Orchestra's summer series of Prom [illegible] concerts at the Varsity Arena. The Melody Fair at Dufferin Park presents a musical play [illegible] [illegible] and The Chocolate Soldier [illegible] week. But that's about all.

The downtown theatre houses offer little [illegible] [illegible] [illegible]

Popular Songs Are Hit Recordings in Japan

TOKYO — Over one million phonograph records are being made every month in Japan. This figure is over five times [illegible] highest manufactured in [illegible].

The outstanding features of [illegible] popular song records are [illegible] and "Westerns".

Hit records of the postwar years were "The Apple Song" (1946), "Tokyo Boogie" (1947), "Spitown Elegy" (1948), and "Return to Rhoda" (1950), a version of "Buttons and Bows".

Sales of the "Spitown Elegy" was [illegible], followed by "Hills of the [illegible] Land" 250,000, "Buttons and Bows" 230,000, and "Can-Can Girl" 180,000. In the postwar years 600,000 records of "Sakura Ondo" were sold.

Errol Flynn in Japan Producing Own Film

TOKYO — Movie Hero Errol Flynn announced plans to produce a technicolor picture in Japan based upon the landing of Commodore Perry, the first American to set foot on Japan.

He said in Tokyo that negotiations for producing the film were in an "advanced stage."

The film is to be called "The Black Ship" and is to be filmed principally in the now historic spots related to the Perry visits. It will be the first technicolor film to be made in Japan.

Flynn hoped that the picture will serve in correcting the "lack of knowledge" about Japan in the United States.

Not Too Gentle

TOKYO — One man who made the headlines of the papers here when his maidservant was murdered recently, received two applications from girls who recommended themselves for the vacant position with the claim they are strong, healthy, brave and not afraid of robbers.

No More Free Rides

TOKYO — In March, 1947, Ryoichi Miki bought a six-month commuter's pass and doctored it so that it was made to seem valid until September 1952. A sharp-eyed ticket-examiner, however, [illegible] his four-year career [illegible] and now Miki is faced with [illegible] of 12,000 yen back pay.

With Some Good Reason

Nisei in Japan Are Still Unpopular With Natives

By ROKU SUGAHARA

The Nisei are still batting [illegible] in the social acceptance league in Japan.

I am told from several well informed sources that our Japanese patriots are still the low man on the totem pole.

Before the war I knew the Nisei were in the doghouse. The powers that be used to tag undercover men on our trail and watch every move with suspicion. We were classified as "N.G." and they told us so.

Now that the shooting and the shouting is over, the Nisei are again back in the old country, heavy handed with [illegible] and holding down some cushy jobs. This time the natives are a little more polite. They give us the thumbs down treatment with a little more finesse. It is still prejudice.

They don't like the way we talk, the way we dress, our carefree outlook, and for that matter, everything we do is wrong. We are both "namaiki" and "tsumaranai" at the same time. We have hit the jackpot for being offensive.

In short, the Nisei is a [illegible].

DERIDE NISEI

Of course, all this [illegible] against us is "under the [illegible]" as they say. The natives back there will not come out and say so or lay their cards on the table. It is strictly entre nous, not to be repeated, and confidential.

In guarded whispers in the backrooms of teashops along the Ginza, the natives cackle and roar when they deride the hapless Nisei. It is always open season for the Tokyoan to get ready, aim and fire a lengthy tirade against us country cousins.

We are the yokels, the [illegible] the opportunists. We are [illegible] braggarts, [illegible] and [illegible].

They hate our [illegible].

The Nisei are [illegible] drink too much, [illegible] brag too much, and [illegible] in excess but work.

Quietly, discreetly, and [illegible] there [illegible] [illegible] and [illegible] [illegible] Japan [illegible] effects of a [illegible] Nisei [illegible].

More than a few bigwig executives back there have gone on record to say that they would no more employ a Nisei for a responsible job in their American branch than cut off his right arm.

[illegible]

BADLY BEHAVED

[illegible]

[illegible] Nisei [illegible] [illegible] a [illegible] of cheap [illegible] and bathroom [illegible] [illegible] and proceeded [illegible] up the joint.

Much more common is the sight of a misguided, frustrated schmoe of a Nisei who starts throwing his weight around just because he is wearing an officer's uniform or is holding down a desk job in the occupation. All of a sudden a nice little high school boy from the fruit orchards of the San Joaquin becomes a self-important Mikado with a built-in sneer and a hide of a rhino. They abuse the privileges of their office or rank. They decide they must act like a bunch of finks.

More than a few once-mild [illegible] Nisei starts to [illegible] their oats when they get around Tokyo way. They imagine they are dashing Deadmans and [illegible] by making a pass at every [illegible] girl and [illegible] up every dance hall in the area. They get into the habit of taking sake straight and their geishas strong; then there is no stopping them. They manage to make a general [illegible] of themselves and get [illegible] in the process.

Army Runs School For Japanese War Brides

TOKYO — American GI's are marrying Japanese girls at the rate of about [illegible] a month and the U.S. Army is disturbed and wondering how long this will continue.

There have been approximately 1,200 such marriages in the last eight months, with the result that the Army is setting up training classes for Japanese brides of American soldiers.

The Army decided to set up the classes to teach the brides American cooking, to speak some English and give them a course on American etiquette.

Here is how Capt. A. J. Thompson, public information officer, puts the case:

"The day will come when the boys will be taking their Japanese brides back to the States and the Army wants to do everything possible to make the marriage a success.

"If the bride knows how to cook and prepare American dishes and has some knowledge of customs and manners in the States, it will make things a lot easier for her soldier husband when they get back to America.

"Some people don't think these marriages are going to last, that many of the boys will return home without their Japanese wives. Only time will tell, but in the meantime, the Army is going to do all it can to make things as easy as possible for the newlyweds."

Develops New Tomato

New Orleans. — Frank Hattori's quest for a premium tomato has resulted in a firm fruit of good keeping quality after four years of experimentation on his 22-acre Belle Chase farm, according to Faye Sherman of the New Orleans Item.

"Tomato is the money crop for the New Orleans area farmer, and the Creole tomatoes grown locally have a wonderful taste. As a matter of fact according to Hattori, no California tomato compares with it. But the Creole tomato is a crop that must move fast, larger than most varieties the fruit goes soft after a day or two. The problem was to develop a tomato that retained the Creole taste yet had good staying qualities.

Hattori worked out a scheme for planting the Creole plants in alternate rows with the Stone tomatoes he imported from California. It produced a fairly tomato, but did not bear very heavily. So the following year he imported Firesteel tomatoes from Michigan. These he planted next to his Creole Stone variety. The resulting tomatoes were what he was looking for, [illegible]

NISEI IN JAPAN

(Con't from P. 7)

the limit.

The natives see Nisei families take over the better housing facilities. They watch Nisei eat at the best restaurants, wear the finest clothing, drink the choicest liquors. They see country girls from the hills of California trying to act like society ladies because they happened to have four servant girls in the house. All this does not sit well with the native Japanese.

It gripes them.

* * *

"I have not been back there. I can only tell you what I have heard second hand. I believe that some of this must be true and that other portions are vastly exaggerated.

"These are just the undercurrents of feeling that I have picked up from Nisei who have returned from there. Some are reactions I chanced to get from Japanese visitors to this country in some unguarded moments or 'off-the-record' conversations.

"A defeated country is a bitter land. The people drink deeply from the cups of remorse. They are easily annoyed. They are quick to complain. They become thin-skinned. They are very irritable.

The Nisei just happened along minding his own business. He gets it right in the teeth . . . where it hurts.
